

Kids Matter Index Rating on S1039 Workforce Readiness Diploma

YES, this bill is good for Idaho Children

The Workforce Readiness Diploma provides School Districts the ability to provide an additional designation for graduates who have successfully completed a career technical education program of study and demonstrated proficiency in the identified areas.

- Career technical education programs provide students the opportunity to develop professional and technical skills to prepare them for workplace readiness.
- Identifying additional ways for students to demonstrate these skills is important for employers.
- This legislation also encourages districts to explore opportunities to provide math, English, and other credits to be earned through an applied, CTE program setting.
